

Member Involvement

Joining a task force is a great way to network and meet fellow members, while volunteering your time and expertise to a project or program. As a task force member, you can make decisions influencing the construction industry and help shape ABC policies. This is a great way to develop your leadership skills and gain access to knowledge about the industry. The task forces work hard, but also have fun at their meetings and socials.

Greater Michigan
Chapter

Government Affairs

Monitor current and proposed legislative action at the local, state and national levels. Recommend positions and potential actions to the Board of Directors. Grop will also initiate campaigns and fundraisers to promote and support PAC.

Staff Liaison: Jimmy Greene – jgreene@abcmgmc.org

Workforce Development

The Workforce Development task force is committed to training our present and future workforce though apprenticeship, craft, management, safety courses and assessment testing that meet the current industry and membership needs. The group identifies, designs, develops and delivers training programs to meet the needs of ABC/GMC member companies and the industry.

Staff Liaisons: Linda Bishop – lbishop@abcmgmc.org

Building

Works to improve and maintain physical building property.
