

ABC GREATER MICHIGAN PRESENTS:

FOUNDATIONS OF CONSTRUCTION PROJECT MANAGEMENT

A comprehensive construction field to management course made by ABC members for ABC members

Sean Huberty
Facilitator

Sean is a Professor of Construction Management at Michigan State University where he specializes in MEP Systems and BIM. He is also an instructor at Lansing Community College where he has managed several trade and technology based degree programs and has taught courses in Construction Management, Building Construction, HVAC-R, Geographic Information Systems, Computer Hardware, Computer Programming, and Robotics.

Sean is in his 23rd year of teaching while also maintaining a presence in the industries in which he teaches. He has worked for internet service providers, software companies, manufacturers, facility managers, general contractors, and mechanical contractors. Most recently, Sean worked at ABC member Pleune Service Company and is currently working as an Owner's Representative on a project with ABC Member Precision Roofing.

*This course may be eligible for reimbursement through your local MI Works office with Going Pro Funding. Eligible employers may qualify for up to \$3,500 in training reimbursement per employee. Contact your local MI Works office or ABC for assistance. Going Pro applications for Cycle 1 funding are open from 10/9/23-10/27/23.

January 5 - February 23, 2024

ABC of Michigan Office

123 W. Allegan St, Floor 6 Lansing

When: 8am-4pm, 8-week course held in person on Fridays.
