Join us at the LOGIC luncheon designed to bring women in construction together for networking, insight, and inspiration. Build new relationships, share experiences, and discover the impact you can make in the industry.

Hear from dynamic speakers, including:

Molly Hubbell – **Consolidated Electrical Contractors** - “Women in the Field”

Lisa Fisher – **Lisa Fisher Associates** - “The power of purpose: Aligning your Why with your Role”

Leslie Simpson – **Simpson Signature Builds, LLC** - “How Women can Lead the Way to Bridge the Generational Divide in Construction”

They’ll share their expertise and perspectives on topics that matter most to women in construction today.
