

ABC GREATER MICHIGAN PRESENTS:

FOUNDATIONS OF CONSTRUCTION PROJECT MANAGEMENT

A comprehensive construction field to management course
made by ABC members for ABC members

Andrew Godin
Facilitator

Andrew Godin, of Next Chapter Construction, is an accomplished construction management professional with over 20 years of diverse experience in the industry. He earned his Bachelor of Science in Construction Management from Michigan State University and has since built a robust career characterized by his expertise in new construction, restoration, multi-family, higher education, and commercial construction.

Andrew's leadership has been instrumental in the successful execution of high-value projects ranging from \$3 million to \$250 million.

In the past four years, Andrew has specialized in interior finishes and drywall with Next Chapter Construction, where he continues to excel in delivering quality craftsmanship and project efficiency. His hands-on experience and strategic oversight make him an invaluable asset to any construction team.

This course may be eligible for reimbursement through your local MI Works office with Going Pro Funding. Eligible employers may qualify for up to \$3,500 in training reimbursement per employee. Contact your local MI Works office or ABC for assistance.

Tuesdays, January 6 - February 24, 2026
Greater Michigan Construction Academy
5836 Executive Dr., Lansing

When: 9am-4pm, 8-week course held in person.

Cost: \$2,800 ABC GMC members; \$3,000 for ABC Southeast & Western Michigan chapters.

What: For employees moving from the field to construction management. This course covers the various duties and tasks related to managing construction projects such as estimating, scheduling, and personnel management. Each attendee receives a certification in Foundations of Construction Project Management upon completion of the course.
