

SafetyTech Training Summit

Practical training. Real-world solutions. Safer jobsites.

WHAT TO EXPECT

- ✓ A Full Day of Safety, AI & Technology Training
- ✓ Safety Tech Trends
- ✓ AI Safety Demos
- ✓ Fireside Chats with ABC Members
- ✓ Lunch & Networking Reception
- ✓ Opening Keynote by Greg Sizemore, Health Safety and Environment & Workforce Development Consultant
- ✓ Closing Keynote by Paul Doherty, The Digital Group

Join us for the SafetyTech Training Summit, a full day dedicated to the future of safety and technology in construction. With dynamic opening and closing keynote speakers, engaging fireside chats featuring ABC members sharing real-world technology solutions, and live AI safety demonstrations, this summit offers valuable insights for companies of all sizes and specialties.

Proudly hosted in collaboration with all three ABC chapters across the state of Michigan, this is a unique opportunity to learn, connect, and lead the way in advancing safety and innovation.

Space is limited. RSVP today!
